EXPECTATIONS

I. SUSTAINABLE INITIATIVE

The Sustainable Initiative is designed to afford the graduate, current and future Leadership Trenton Fellows the opportunity to use their time, talents and treasures in a way that best serves the city of Trenton, Leadership Trenton and themselves. It also allows for additional efforts to be added in the future if the Fellows see the need for it. And most importantly, the process is designed to be managed by graduate and future Leadership Trenton graduates. There are four committees within the Sustainable Initiative that Fellows can join: economic development, education, media, and volunteerism. The work of the committees are overseen by the Steering Committee. Fellows have the opportunity to join one of the four committees prior to the end of their seminar year. Sustainable Initiative activities are also included in three of the seminars.

II. SEMINAR PARTICIPATION

Leadership Trenton seminars are held once a month on a Thursday from September through June.. The monthly seminar lasts one full day (8:00 a.m. to 6:00 p.m.) with the exception of the Opening Retreat and Orientation in September which is two full days. *Participation in the Opening Retreat and Orientation is mandatory.* Leadership Fellows are expected to attend all seminars. *To graduate, Fellows may miss no more than two sessions.*

III. TUITION

The tuition for the program is \$1,000. A non-refundable \$200 deposit is required upon acceptance into the program. Support is available to those whose resources do not allow them to pay the full tuition. No qualified applicant will be prevented from participating due to lack of financial resources. Portions of the program costs are met by grants from foundations and corporations.

Please mark here with an "X" if you would like more information sent to you on financial aid and extended payment plans upon acceptance to the program.

I understand the purpose and requirements of Leadership Trenton. If accepted, I will devote the time to complete the program and participate in the Sustainable Initiative and Leadership Trenton activities after the seminar year. I have my employer's cooperation.

The *vision* of Leadership Trenton is based on the belief that a city's greatest resource is the quality and commitment of its civic and community leaders. The *mission* of Leadership Trenton is to identify, challenge and honor emerging leaders through a ten-month series of experiential seminars that provide information, increase knowledge, and stimulate discussion on critical public policy issues that impact the city of Trenton and the region.

The *network* of Fellows is comprised of a diverse group of leaders who live or work in the Trenton region and are joined in a common effort to make the region a better place in which to live and work. There are 213 graduate Fellows of Leadership Trenton from seven classes: Class of 2003-2004 and 2006-2009. There are 31 Fellows in the current Class of 2010 who began their Leadership Trenton seminar experience in September 2009 and will graduate in June 2010.

Leadership Trenton is made possible through tuition and generous contributions from the following funders: The Bunbury Company, Inc., Children's Futures, Ortho-McNeil-Janssen Pharmaceuticals Inc., The Princeton Area Community Foundation, and United Way of Greater Mercer County.
