CAPSTONE PROJECT		6
------------------	--	---

Learner Designated Area of Study		12
----------------------------------	--	----

Students will design a professional area of study plan that links directly with their Capstone Project. The plan will define the Learner Designated Area of Study, describe how the plan enhances their professional skills, knowledge and competencies, and propose how the credits are to be completed.

Students may complete the twelve semester hours of elective credit through a combination of the following methods:

- Registering for Thomas Edison State College graduate on-line coursework
- Transferring Graduate level credit recommended through the American Council on Education
- Transferring graduate level courses from a regionally accredited college or university
- Completing Prior Learning Assessment credits through Thomas Edison State College
